Amendment

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Responsive to the Office Action mailed 2/21/2007 Applicants request entry of the following amendment and reconsideration of the rejection in view of the following remarks.

Amendment of Claims: Please amend the claims as indicated in the attached listing of claims

Amendment of the Drawings: Please amend Figure 1 as shown in the attached Drawing where the descriptors for the sequences are replaced by the SEQ ID NO.

Amendment of the Specification: Please amend the specification as shown in the attached Brief Description of the Drawings, where Figure 1 is more particularly explained. As the description is supported by reference to the figure and the sequence listing, no new matter is added.

Election: Applicant understands that, although the restriction requirement is now moot in view of the amendment of claims to read on the invention of Group 1, the requirement is nonetheless still deemed proper and made final.

Certificate of Facsimile Transmission - I certify that this communication (9 pages) including the enclosed petition for extension of time is being facsimile transmitted to the USPTO via the central FAX number, i.e. 571-273-8300, on June 21, 2007.
